Registering to Vote Simple in California

Registering to vote in California is a simple matter—it doesn't take long and the questions are painless, according to the California Non-Partisan Voter Registration Committee.

"Actually," E. Hornsby Wasson, commission president, said, "all you have to tell the registrar is your name, where you live, how long you've lived in the United States, your county and the state, and with which political party you'd like to be affiliated."

Thus, he pointed out, there are no personal questions involved. "Registrars don't care if you own property, have money in the bank, or how many bills you may owe. All that matters is that you meet registration requirements."

Chances are you can walk away from the registration desk with a voter's stub in-side of five minutes, Wasson said.

The registration figures for the primary election in June were encouraging, but we are convinced they can be improved," the committee president added.

Registration for the Nov. 8 election closes Sept. 15. Local registration sites and hours for registration will be provided those who call the County Clerk's office.

Legionnaires Plan Dinner For Monday

Redondo Beach Post 184 of the American Legion will hold its traditional potluck dinner Monday at 8:30 p.m. The public is cordially invited to attend.

Members of the post and other persons planning to attend are asked to bring a casserole or meat dish, as well as salads and desserts.

A discussion of Medicare by Mrs. Frances Lawrence of the Social Security Administration will follow the dinner.

Persons planning to attend the dinner are asked to call the post between 2 and 12 p.m.

HEAD START

More than 700,000 youngsters from poor homes will be helped next year to prepare for the rigors of learning through Operation Head Start, a program financed entirely by the federal government.

WHAT'S DOING?

7,000 recreation areas for only \$7. That's the way Operation Golden Eagle works. With this plan, you and your family can visit all our Federal recreation areas — from Yellowstone Park to the Gettysburg Battlefield — and the only admission fee you pay is \$7 annually. That's a great bargain — and it all goes to help conservation. Be a Golden Eagle family, write to OPERATION GOLDEN EAGLE, Bureau of Outdoor Recreation, Box 7768, Washington, D.C., 20044.

A big Labor Day weekend is coming up. If you plan a trip, remember to drive with special caution during the heavy holiday traffic. And be sure to buckle your seat belt.

If you're moving to another city, here's a handy tip to make your relocation easier. Use our Easy Move Plan to have telephone service installed in your new home — in California or across the nation. Our Easy Move Plan is effective throughout the Bell System. When you stop your service here, talk with your local Service Representative about starting it again in your new home. She'll be glad to help arrange it.

Some one reminded me the other day you'd better register to vote now. September 15th is the deadline, but don't wait until the last moment. Now is the time. Don't delay, register today so you can vote November 8th.

Your Torrance Telephone Company Service Representative would like to announce that Overseas Telephone Service has been improved.

Overseas telephone operators recently began dialing calls direct to Hong Kong. At the same time, they began to place calls to their counterparts in Singapore and Kuala Lumpur, capital of Malaysia. The new service will speed calls between the U.S. and Southeast Asia via a new Guam-to-Hong Kong section of the British Commonwealth undersea telephone cable. Calls formerly handled by high frequency radio are now being carried by circuits leased by the Long Lines department of AT&T.

Operator dialing to other cities in Southeast Asia is scheduled to begin next year. It's a step towards the day when telephone users will be able to dial their own calls to any point on the globe.
